Special Events Permitting Process:

Effective February 15, 2018

The Department of Development Services has issued a new application form for both **Special Events Permits**, effective immediately. The new application form is attached and is now posted on the City's website. The new application form was developed in cooperation with the City's interdepartmental **Special Events Approval Committee** ("SEAC") to provide more consistent application information in order to expedite the permit approval process, which is outlined below. Once a permit has been approved, a formal permit will be issued that is signed by (i) the Director of Development Services, (ii) the Deputy Director of Development Services, or (iii) the Director of Community and Small Business Development. Any permit not bearing the signature of one of these officials is not valid.

Application Intake:

Applications for a Special Event Permits or a City Hall Atrium Use Permit ("Special Events Permit") should be submitted to Department of Development Services ("DDS") Special Events Coordinator: Marian Andoh, by email at marian.andoh@hartford.gov or fax (860)722-6402

Don Chapman, Director of Community and Small Business Development, will supervise the issuance of all Special Events Permits, and can be reached at chapid001@hartford.gov or (860)757-9048

Application Review and Permit Issuance:

The Special Events Coordinator for the City will maintain a Master Events Calendar for both Special Events and City Hall Atrium use events; all applications will be checked against this calendar for conflicting events when received. Applications presenting no scheduling conflict will be placed on the Master Event Calendar pending final approval.

Once an application has been logged, the application will be circulated to the SEAC, including representatives of the city's Police and Fire Departments, Health & Human Services Department, Department of Public Works, Licenses & Inspections Division and The Hartford Parking Authority. The SEAC meets monthly (or more frequently as needed) to address pending permit applications. Once an application has been approved and signed by the SEAC, it will be forwarded for signature by the Director of Development Services, the Deputy Director of Development Services, or the Director of Community and Small Business Development. DDS will then issue the executed permit.

CITY OF HARTFORD

SPECIAL EVENTS PERMIT APPLICATION

A completed and approved Special Events Permit is required for any event held on City property or in City buildings which requires City or State permits or authorizations.

The Special Events Permit process has five goals:

- To ensure the health, safety and welfare of the public
- To minimize the financial and legal risks to the Event Organizer, and the City of Hartford
- To balance the benefits of Special Event against disruption to business owners, residents, and others.
- To protect our public assets, including our historic parks which have fragile ecosystems and significant irreplaceable features, including trees over a century old.
- To facilitate careful planning which in turn will spur economic development for the whole city of Hartford.

Application Deadlines

- **Applications completed or received less than 30 days before the proposed Special Event will NOT be accepted.**
- Please note that other agencies such as the Hartford Department of Health & Human Services and the Connecticut Liquor Control Commission require timely submission of separate applications for temporary food/beverage service permits.

Application Submission

- The application will be deemed complete by the City when all of the required items are provided by the Event Organizer.
- Completed applications may be submitted to the City's Department of Development Services, in one of three (3) different formats:
 - Email: marian.andoh@hartford.gov
 - Fax: (860)722-6074 or (860)722-6402
 - Mail: City of Hartford, Department of Development Services
Special Events
250 Constitution Plaza, 4th floor, Hartford, CT 06103

Submission of this application does not guarantee approval by the City of Hartford.

PARKS RIDER TO
SPECIAL EVENTS PERMIT APPLICATION

This Parks Rider serves as an addendum to the Special Event Permit Agreement to clarify the obligations of Event Coordinators to protect and preserve the fragile and historic nature of Hartford's parks for generations to come, while still balancing and recognizing our City's enthusiasm for Special Events.

The following provisions shall apply to Special Events taking place in City parks:

- Driving vehicles off of designated park roadways, including on sidewalks and on grass, is not allowed without expressed written permission as part of the Special Event Permit.
- There are no open flames or fires allowed in public spaces or parks.
- No more than 2 large festivals (defined as audiences over 5,000 persons with food vendors) shall take place per month in Bushnell Park, and such events may not occur within the same 5-day period.
- Vehicles shall not park under the dripline of any tree, within 50 feet of any playground, or in any areas not designated in an approved Special Event site plan for parking. If parking is authorized in a Special Event Permit to take place on grass, plywood shall be placed under vehicle tires to minimize damage to flora and fauna and compaction of soils.
- Loading and unloading of equipment should occur on the street wherever possible. If street-side loading is not possible, vehicles must park in approved, designated areas, ideally existing paved paths. Loading and unloading of vehicles within park boundaries but not in a parking lot may only occur for the smallest period of time the occupant(s) of such vehicle(s) reasonably require to load and unload such goods and materials.
- An Event Organizer planning to place tents in any park with an irrigation system must first inquire of The City of Hartford Department of Public Works (DPW) to determine the exact location of subsurface water lines and sprinkler heads to protect against damage from tent stakes, vehicles or other equipment. Said location must be approved by Department of Public Works personnel, before any tent is erected.
- No more than 15 vehicles shall be allowed to park behind the Bushnell Park Pavilion Band Shell.

Some of the above provisions are contained in the zoning regulations. Special Event organizers may be liable for violations of the zoning code in an amount up to \$100 per violation, or \$250 per violation if willful.

FIRE MARSHAL'S REQUIREMENTS FOR SPECIAL EVENTS
